account balance statements or letters written by financial institutions with explicit numerical balances
and must be dated within one year of the potential date of enrollment.  Whether or not the student plans to
live on campus, the financial documentation must show a minimum balance of the amount listed
below*.  The funds must be “liquid” (such as checking or savings) such that the monies could be withdrawn
at any time.  Business accounts and insurance policies are not sufficient.  If the currency is not US Dollars
(USD), the exchange rate for USD should be listed.  All documentation must be certified -- signed and
stamped by a bank official in a color other than black.  No photocopies, scanned copies, or faxes will be
accepted.
