Instructions

Before you complete this section, carefully read the instructions. Refer to your high school transcript and/or grade reports for official course titles. If necessary to abbreviate, please use logical abbreviations. You must list all course work and grades even if a course is repeated. If you are unsure which heading a course should be listed under, or you run out of room under a heading, include the course in the "Other" category. Please complete each grade level completely, including your Senior Year schedule. At least one blank must be filled in each section for each year. If you have not taken a course in that area, please select "not applicable" from the drop down menu. If you select not applicable, you are not required to enter a grade.

Academic Course Requirements

Did you take a course(s) prior to the 9th Grade that will reflect on your high school transcript?  
☐ Yes  ☐ No

Grade 7 & 8 CORE COURSE WORK: Enter course titles and grades for English, math, science, social science and foreign language that are reflected on your high school transcript.
Check Application Status

BuzzPort is the admission portal for Georgia Tech and will allow you to track your application status and eventually view your admission decision online. Please be aware that BuzzPort and the e-mail you listed on your application will be the methods we use to communicate with you throughout the process, so it is your responsibility to check both of these frequently for any updates. Additionally, admission decisions will ONLY be conveyed via BuzzPort. We hope you will find the information contained in your BuzzPort page to be helpful throughout the admission process.

Steps to access your BuzzPort account

1. **Click here** to look up your GT ID number. When looking up your GT ID, please enter your first name, last name, and birth date only. Please keep your GT ID in a safe location as this ID will be used to identify you throughout the admission process.

2. Once you have located your GT ID number, please go to this page to activate your GT Account and view your GT Account username and password. Please keep this information in a safe location as you will use your username and password to access your BuzzPort account.

3. Use your GT Account username and password to log in to BuzzPort.

4. Select the Applicant tab and click the check application status icon to verify your personal information, track receipt of your documents and test scores, and view your application status. Personal information (including residency status) will not appear correctly in BuzzPort until we have fully processed your application. Please allow three weeks for processing.

Should you have any trouble logging on to your GT Account or BuzzPort, please contact our Technology Support Center.

Of the grades in the chart above, how many are AP/IB?

How many full year AP/IB courses will you have completed from your 9th grade year until the end of your senior year (round up if needed). For example, AP Chemistry is a full year (1 credit) course, while AP Economics is generally a half-year (.5 credit) course. If these were your only AP/IB courses, it would equal 1.5 courses, and so you would round up to 2.

☑ Review application status, documents received AND final admissions decisions for your students
☑ Keep up with students’ checklists of items received
☑ Upload pdf of new school profile (only once!)
Welcome to the UGA Undergraduate Admissions High School Counselors' Status Check!

We hope that this portal will provide useful information as you are working with students who have applied to UGA. While this will be a useful tool for you, we will continue to encourage students to use the status check via our website to check on their status personally. Please let us know if you have questions or concerns by contacting your admissions representative. Locate your UGA Admissions contact by visiting the Meet The Staff portion of our website.

Notes:

- There may be a one day delay between receiving all required documents and an applicant changing incomplete to complete.
- Part II of the application and the teacher recommendation are only needed for Regular Decision or Deferred Early Action applicants.
- Official SAT or ACT test scores must be submitted to UGA electronically by the respective testing agency. UGA accepts either the SAT or the ACT exam results, and if both are submitted, the strongest results are utilized.
- During peak times, it may take two to three weeks to match up documents with a student's application. In addition, we can only start to match up documents after a student has submitted an application.
