Inside: Information for newly accepted transfer students

❖ Academic Requirements ❌ International Students ❧ Deposits ❨ Housing
❖ Financial Aid ❨ Health Requirements
Congratulations on your acceptance to Georgia Tech!

Here’s everything you need to make your transition.

**Prior to your registration at FASET, you must have your college registrar forward a final official transcript to our office when it becomes available. Transcripts should be mailed to:**

Georgia Institute of Technology  
Office of Undergraduate Admission  
219 Uncle Heinnie Way  
Atlanta, GA 30332-0320

Your transcript must show that the course work and grades are satisfactory and that you remain in good academic standing. Be sure to verify receipt of the transcript online in BuzzPort. Contact the Office of Undergraduate Admission immediately if you have any questions about your transcript or final grades.

Transfer credit information is available online via BuzzPort. Please allow approximately seven to ten business days after acceptance for all credit to be articulated and added to your record. Only courses with equivalent content to Georgia Tech courses will be transferred. Be sure to refer to specific instructions online in BuzzPort for any departmental course evaluations that may be required.

As a transfer student, you have been offered admission based upon your chosen major and your prerequisite coursework, your academic performance, and the overall and major-specific applicant pool. Therefore, you may not request a change of major once an admission decision has been made for that application term. Major changes after you enroll at Georgia Tech will be reviewed by your academic department and are not guaranteed. Colleges and schools that are overcrowded normally prohibit transfer students from changing into these majors once enrolled.

**Next Steps:**

1. Secure your spot in this semester’s class by paying your admission deposit via the Accepted Transfer tab on BuzzPort. To access BuzzPort, visit [www.admission.gatech.edu/checkapp](http://www.admission.gatech.edu/checkapp). Continue to check BuzzPort weekly for important updates.

2. Complete the proper financial aid documents. Visit [www.finaid.gatech.edu/apply](http://www.finaid.gatech.edu/apply) for details.

3. Forward a final official transcript to the Office of Undergraduate Admission prior to your registration.

4. Complete the health requirements form on BuzzPort.

5. Register for FASET, Georgia Tech’s orientation program, via the registration link on BuzzPort or by visiting [www.faset.gatech.edu](http://www.faset.gatech.edu).

6. If you intend to live on campus, apply for housing and pay your housing deposit through BuzzPort.

**International Students**

In addition to attending FASET, all new international students must attend International Student Orientation. This is mandatory. For questions about this program, contact the Office of International Education by calling 404.894.7475 or by visiting the website at [www.oie.gatech.edu/iss](http://www.oie.gatech.edu/iss).
Congratulations on your acceptance to Georgia Tech! Here’s everything you need to make your transition.

**Deposits**

**What are they?**
To secure your place in the upcoming term, you will need to pay your admission deposit and, if you intend to live on campus, your housing deposit.

**What you need to know**
The admission deposit is $250 and is nonrefundable. The housing deposit is $600. Both need to be paid by the deadline as outlined in BuzzPort. Payments can be made on BuzzPort. Your acceptance is valid for the term listed in your admission letter. If you do not enroll in that term, you must reapply for admission in a future term.

**Financial Aid**

**What does it include?**
Financial aid includes scholarships, grants, and loans to help cover your educational expenses. Georgia Tech’s Office of Scholarships and Financial Aid is committed to working with you to help you understand your financial aid package. To learn more, visit [www.finaid.gatech.edu](http://www.finaid.gatech.edu).

**What you need to know**
The most important thing to do if you have not done so already is to fill out the Georgia Tech Application for Scholarships and Financial Aid (GT App) and the FAFSA. The GT App is available November 1 and the FAFSA is available January 1 for the following fall.

<td>July 1</td>
</tr>
</tbody>
</table>

**Housing**

**Who is it for?**
Georgia Tech offers housing to all transfer students, provided they submit the online application and payment before the requested date. Students who live on campus generally have a better college experience and are more successful academically.

**What you need to know**
Review the enclosed housing brochure, which gives you all the information on Georgia Tech housing and how to apply. Details will also be available on BuzzPort. See 360-degree virtual tours of each residence hall at [www.housing.gatech.edu/reshalls/index.cfm](http://www.housing.gatech.edu/reshalls/index.cfm).

**Health Requirements**

**What are they?**
Georgia Tech requires students to have certain immunizations before enrolling. Visit [www.health.gatech.edu](http://www.health.gatech.edu) to learn more about the requirements and health services available at Georgia Tech.

**What you need to know**
Georgia Tech’s Stamps Health Services offers a checklist of immunization requirements on BuzzPort that you must complete before registering for classes at FASET. If the requirements are not met, you will not be able to register for classes.
CLOUGH COMMONS
Georgia Tech’s newest academic and social hub

Hey look, grass and trees on the roof!

An underground cistern collects and recycles rainwater.

Solar panels on the roof for clean energy
