Nuclear & Radiological Engineering	■		■		■		
Physics	■		■		■		
Psychology	■	■ ■					
Public Policy						■ / ■	
Solid Earth and Planetary Sciences	■		■		■		

ALL MAJORS require transfer credit equivalent to [English Composition 1101](#), [English Composition 1102](#), and [Calculus 1](#) (MATH 1551).

See additional course requirements by major.

Key

- Required course
- ■ Two-course sequence required
- / ■ Two courses required (sequence optional)

* **Lab Science Elective** options include biology, chemistry, calc-based physics, and environmental science. All lab science courses must include lecture and lab components. Each box ("■") represents a lecture and lab combination. Some majors require a two-course lab science sequence (e.g. PHYS I & PHYS 2).

1 Architecture

Applicants are required to upload a [portfolio of work](#) as part of the transfer application.

2 Music Technology

Applicants are required to submit 2-4 samples of work by providing a URL link on the application.

UNDERGRADUATE ADMISSION

Georgia Institute of Technology
Atlanta, Georgia 30332-0320
