Breakout Sessions:

Career Center

Learn how the Georgia Tech Career Center helps prepare students for internships, co-ops, and future careers. Fun fact: 87% of students at Tech have a full-time job lined up as they walk across the stage at graduation!

Paying for College

Learn how to best prepare to pay for college and how students can help offset the cost of tuition directly from the Office of Scholarships and Financial Aid.

First-Year Housing

In this session, housing staff will explain the different first-year housing and dining options. You'll also learn how students can establish a community on-campus and settle into their new home at Tech.

iGniTe Summer Launch Program

Twenty-five percent of the first-year class start during the summer! Come learn more about how to get a jump start on classes, navigate the campus, and create your community this summer.

Study Abroad and International Plan

Learn about Tech's 160+ study abroad programs that sends more than 1,200 students abroad each year. Fun fact: over 50% of Georgia Tech students will have had some type of international experience before graduation!

Undergraduate Research and Innovation

Find out how Georgia Tech supports student start-ups and helps students connect with research opportunities regardless of major.

Ways to Get Involved Starting Day 1

A big part of your college experience will be getting involved outside of the classroom. Hear from the Center for Student Engagement on how to get involved and connect with others as soon as you step foot on campus!
